

Refresh and transform your MB2K menu board system with Florida Plastic's MB2K Makeover.

MB2K Makeover

MB2K Makeover completely transforms the appearance of your indoor menu board system and overall restaurant décor with minimal investment of time and money. The industrial grade vinyl clad steel simply snaps onto the front of the current MB2K frame. 3 wood grain colors are available to tie the menu board system with the surrounding ambiance of the restaurant.

Why MB2K Makeover?

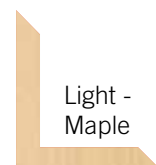

- Complete Transformation of Current MB2K Menu Board System
- Complete Transformation of Restaurant Décor
- Minimal Cost
- Easy Installation (less than 1 hour)
- 2-Year Warranty

The standard MB2K Makeover package includes:

- (4) 2' POP Sections
- (1) 3' Menu Strip Section
- (1) 80" EVM POP Section
- (2) End Cap Covers
